

**2017-2018 FUNDERS COLLABORATIVE RFP**  
**CITY PLANNING GRANTS TO PREVENT AND COMBAT HOMELESSNESS**  
**IN LOS ANGELES COUNTY**

**Key Issues to be Addressed in the City Homelessness Plans**

1. Why the City is working to develop and implement the homelessness plan
2. Goals of the plan and how progress on those goals will be measured
3. Actions which the City plans to take, including any policy changes
4. County Homeless Initiative strategies with which the city wants to collaborate and align its efforts
5. Actions which the City plans to take on those Homeless Initiative strategies where it wishes to collaborate
6. City resources that will be utilized in the implementation of the plan
7. City staff who will lead implementation of the plan
8. City staff who will be involved in implementation of the plan
9. City participation in new or ongoing collaborative structures, within the city and/or with other cities and/or in the Service Planning Area
